

PHD/Research Scholar Profile					
Name	SAYANTAN BOSU CHOUDHURY				
Research Guide	Prof. (DR) Debasish Bandyopadhyay				
Research Interests					
Study of Corrosion in RCC Structure					
Educational Details					
B.Tech (Civil), M.E		Official Address	N.A		
Professional & Academic Experience		Email Address	ronnie.sayantan@gmail.com		
1. Work at Effluent Water-treatment & Engineers (P) Ltd. 2. Work at Shree Ramkrishna Institute of Science and Technology 3. Work at Con-Quest Consultant		Mobile No.	9038895770 9903469256		
Projects					
Presently working as a Junior Research Fellow under TEQIP-III at Jadavpur University					
Research Papers Published					
1. "Structural Health Monitoring of Corrosion Distressed High Rise RCC Building by correlating various results", 11th Structural Engineering Convention 2018, ISBN 978-93-83660-46-9 . 2. "Parametric Study Of Tilt On The Stability Of Rcc Building', 7th International Congress on Computational Mechanics & Simulation 2019					
Achievements
