

PHD/Research Scholar Profile			
Name	AMALENDU MAJI		
Research Guide	Debasish Bandyopadhyay/ Prof. Partha Pratim		
Research Interests			
Fatigue fracture and creep of composite material			
Educational Details			
Structural Repair and Retrofit Engineering, Department of Construction En		Official Address	University, Salt Lake
Professional & Academic Experience		Email Address	<a href="mailto:amalendumaji@gmail.com">amalendumaji@gmail.com</a>
Site In-charge (2014-2016), Lecturer in Polytechnic college,(2016-2019) Junior Research Fellow, (2019- till date)		Mobile No.	8240047729
Projects			
<div></div>			
Research Papers Published			
Published on: ICCMS,2019.7th international Congress on Computational Mechanics and Simulation. 11-13 December,2019,IIT Mandi, India TITLE: Structural Health Monitoring of Bridge Deck by Signal Processing of Measured Pulse Echo Test Data. Paper ID: ICCMS19SD115130			
Achievements
